---

I'm a 3rd-year BCA student with hands-on experience in full-stack web development using PHP+MySQL, MERN stack, and Python. Strong understanding of backend systems, databases, APIs, and responsive UI design.

Education

Shri Shambhubhai V. Patel College (Veer Narmad South Gujarat University)   **2023 – Expected 2026**
Bachelor of Computer Applications (BCA) – SGPA: 7.09/10.0

Technical Skills

Language : HTML5, CSS3, JavaScript(ES6+), PHP, C, C++, Java, Python
Framework & Libraries : React.js, Express.js, Node.js, Angular.js, Tailwind CSS
Databases : MongoDb, MySql, SQlite, PostgreSQL
Developer Tools : Git, GitHub, VS Code
Core Dependencies : RESTful API Design, Full-Stack Development, Database Optimization, Responsive Design

PROJECTS

Travel Management System   HTTPS://JOURNEYJUNCTION.KESUG.COM/
Tech Stack : PHP, MySql, HTML, CSS, JavaScript
- Developed a full-stack travel management web application using PHP and MySQL, enabling users to register, log in, explore tour packages, and make bookings.
- Implemented backend functionality for package management, booking workflows, user profiles, and booking history with a relational database.
- Built an admin dashboard to manage users, tour packages, bookings, enquiries, support tickets, and booking dynamic website content pages.
- Designed a fully responsive user interface with search and filtering features for improved ux.
- Deployed the application on a live hosting environment with real-time database interaction.

Travel Management System
Tech Stack : React.js, Node.js, Express.js, MongoDb
- Built a MERN-based travel booking platform with JWT authentication and Redux state management.
- Implemented dynamic tour packages, protected routes, and admin-controlled data handling.

Restaurant Management System
Tech Stack : React.js, Node.js, Express.js, MongoDb
- Developed a food ordering and restaurant management application with cart, orders, and admin dashobard.
- Integrated JWT authentication and responsive UI for seamless user experience.

Additional Information

- ➢ Languages : English(Professional), Gujarati(Fluent) and Hindi(Native)

Extra Curriculum/Achievements

- LeetCode : leetcode.com/u/RamParmar/
- Typing Master (intra-impetus 2023) – Secured 2nd Position
- Net Rising (intra-impetus 2025) – Secured 2nd Position
